Continued AAFES operations at Closing Locations

Issue: AAFES Community Support

Discussion:

Be a Good Steward of Resources: Must strike the Balance between providing adequate service and minimizing losses

Have a realistic plan that ties the post draw down to customer usage

Installation Plans should be coordinated early (E-240+) and once agreed stuck to

Options:

Evaluate all retail and service options to determine facility closure dates, and to set appropriate operating hours/days

Include AAFES in the USAREUR Commander checklist for Restructuring /Rebasing AE Pamphlet 220-5

Issue: AAFES Foreign Worker (FW) Responsibilities

Discussion:

**Existing Foreign Service Workers
Severance pay Fund application
has potential to create “haves”
and “have nots”**

Options:

**Determine applicability of
Transfer Company program to
AAFES.**
